MEMORANDUM

TO: Boston Redevelopment Authority
FROM: Hale Champion, Director
SUBJECT: Charlestown Mass R-55 / REHABILITATION DEVELOPMENT

SUMMARY: Designation of a developer for the rehabilitation of 238 Bunker Hill Street, Parcel R-88

On October 31, 1968, the Authority approved publication of the advertisement of the availability of the building at 238 Bunker Hill Street for sale for rehabilitation. The property consisting of one apartment above a small store was acquired by the Authority for failure to rehabilitate, at the request of the owner.

As a result of the advertisement, two proposals were submitted by persons interested in rehabilitating the property.

The first submitted by the Charlestown Development Corporation (President, James R. Adams, 38 Harvard Street, Charlestown) is clearly superior in the quality of rehabilitation proposed and in the financial qualification and experience of the developer.

The second developer submitted a proposal which indicated that he did not have the financial capacity to undertake the rehabilitation.

It is recommended that the Authority adopt the attached resolution authorizing public disclosure of and designation of the Charlestown Development Corporation as the redeveloper of the property at 238 Bunker Hill Street in Charlestown.

An appropriate resolution is attached.
